Our Westchester BID is trying to dedicate some lots to GSD as part of a P3 strategy for landscaping and maintaining the Sepulveda entrance to the community. (Sepulveda between Manchester and Howard Hughes Parkway.)

Mike has written a strong letter of support in the face of covert GSD opposition to the dedication.

Now we are told that there is a "hearing" per the subject line to consider this question. Can you shed some light on the hearing and whether or not its possible that our project could be scuttled despite the Councilman's request? I'd appreciate any references you can give me too.

Thanks.
